

Dear Foundation Member,

We hope that you and your family are doing well during these unprecedented times. The FSGA Foundation has had a great summer despite the challenges that we have all had to face.

Following is a brief summary of the exciting Foundation activities that you help make possible.

Team Florida

The FSGA Foundation is excited to introduce Team Florida, a new program that was implemented in 2021. Team Florida consists of 41 players, ages 13 to 18, that were selected based on their performance and sportsmanship displayed over the past year.

The juniors recognized will receive \$1,000-\$2,000 in financial support to be used for specific competitions in 2021. Additional funding is awarded to the team members that qualify for a USGA National Championship.

Your contributions have allowed the Foundation to help offset some of the significant costs that are incurred by families of these great junior golfers who have a competitive schedule. We hope that you will follow their progress throughout the remainder of this year and their future golf careers.

2021 FSGA Scholars

This year we have added 16 additional scholars to our current list of FSGA scholars. We now have 40 scholars and the Foundation awarded over \$70,000 in scholarships in 2021.

This would not be possible without your generosity and support. Additions from the class of 2021:

James E. Demick Scholarship

The inaugural James E. Demick Scholarship has been awarded and we could not feel better about our first recipient of the \$10,000 annual scholarship; Kendall Griffin. Kendall is a wonderful person who we have watched grow up through our FJT and FSGA events. Kendall has won our Girls Junior, the Women's Amateur Stroke Play, and this summer added a victory in the Women's Amateur Championship to her career. She has also represented the FSGA at the USGA Team Championship and was a semifinalist in the USGA Women's Four-Ball. Kendall's family is from Sebring, Florida and they travel to almost every tournament.

Kendall is an excellent student, graduated from LSU with a 3.75 GPA and consistently received recognition on the All- SEC Honor Roll, the President's honor roll, the Dean's list and other awards. Kendall is one of many NCAA seniors who was provided a bonus year of eligibility as a Super Senior - due to the COVID mess. Kendall will attend the University of Louisville to complete her graduate program in Sports Administration. We are happy to help offset some of the expenses that the Griffin family will incur and we are confident that Kendall will represent this prestigious scholarship with dignity.

Thank you

Thank you for your continued support that makes it possible for us to grow in the opportunities we provide for our junior golfers. Your generosity helps preserve the game for future generations. Thank you for sharing your passion and love for golf with the FSGA. We hope that you and your family remain safe and find joy in our great game of golf.
